Midterm 1 Study Guide

Midterm 1 is worth 20% overall, and covers weeks 1-4 (lectures, activities, course material, textbook chapter 1-2).

Details and Format:

- It will be available through Canvas>Quizzes, from 8 am to 8pm on Tuesday Feb 8th only.

- Note that you have two hours maximum to complete the midterm (unless you have accommodations).

- Once you start the quiz, the 2-hour time limit begins. Complete your work in a Word document, clearly indicate each question you are answering, and upload the document at or before the 2-hour limit.

- You will answer 5 questions out of a choice of 8

- Each question is worth 4 marks each

- Each answer may be no more than 6 sentences.

- Open book exam

Example questions

1. Explain how flooding in British Columbia can have far-reaching consequences.
2. Identify the various factors that explain and account for migration.
3. Explain the demographic transition model.
4. Differentiate between a pandemic and an epidemic, using examples.
5. Compare and contrast two types of migration. Provide specific examples of each from history.
6. Explain why locations are places to some people and not to others.
7. Differentiate between reference and thematic maps.
8. Differentiate among the three types of regions and provide examples of each.
9. Explain how different types of stores illustrate distance decay.
10. Differentiate between latitude and longitude.
